9th दीक्षांत समारोह
CONVOCATION

Convocation Report, SPA Vijayawada

October 10, 2025

योजना तथा वास्तुकला विद्यालय, विजयवाडा

School of Planning and Architecture, Vijayawada

An Institute of National Importance, Ministry of Education, Govt. of India

Chief Guest: Profile

Prof. Dr. K. N. Satyanarayana

Director, Indian Institute of Technology, Tirupati

Dr. K. N. Satyanarayana is the founding Director of IIT Tirupati, Andhra Pradesh and is currently serving his second term as Director. He is on deputation from IIT Madras where he has been a Professor in the Building Technology & Construction Management Division of the Department of Civil Engineering. He received his B.Tech degree in Civil Engineering from IIT Madras. He then received MS and PhD degrees with specialization in Construction Engineering and Management from Clemson University, USA. He has been a faculty member at IIT Madras since 1991. In 2009 he was a Visiting Professor at Iowa State University, USA.

His teaching, research and consulting interests are in the areas of project management, construction contracts, construction productivity, construction equipment, C&D waste management, and public private partnerships. He has published extensively in these areas. He is the recipient of many awards including the Project Management Institute (India) Distinguished Scholar Award (2011).

At IIT Madras he served as Advisor-Alumni Affairs (2004-2009), Chairman-Engineering Unit (2010-2013) and Chairman of the Implementation Committee for IIT Madras Research Park-Phase II & III (1.2 million sq.ft. facility). He has served on the committees for setting up new campuses including IIM Trichy, IIT Indore and IIT Jodhpur. He coordinated the preparation of the detailed project report for setting up the six third-generation IITs that started in 2015-16.

He is member of the Empowered Committee for Industrial and International Collaborations set up by Ministry of Education, Govt of India. He serves Vice-Chairman, Board of Advisors of The Glass Academy; Expert Member on the Board of Management of Building Materials & Promotion Council (BMTPC). He was a founding member of the Institute for Lean Construction Excellence. He serves on the governing boards of academic institutions such as IISER Tirupati, NIT-Tadepalligudem, IIITDM-Kurnool, IIIT Sri City, AIIMS - Mangalagiri, NID-Vijayawada, IUCAA-Pune and RGKUT. He serves as Independent Director on five company boards. The IIT Tirupati campus that he has guided in setting up, has many awards for sustainability, health and safety, and exemplary performance.

Message from Chief Guest

I convey my heartfelt congratulations to each of the valued graduands, privileged parents, esteemed guests and illustrious faculty, on this august occasion of the 9th Convocation of the School of Planning and Architecture, Vijayawada.

Through these two professions of Architecture and Planning, we get to design our living territory including homes, offices, parks, shopping complexes, streets, and roads. This makes the professions significant for societal well-being. For me, you are not simply graduates, postgraduates, and doctorates; you are now professionals entrusted with the responsibility that comes with the degree, taking you into a new domain of creative possibilities in the field of Planning and Architecture. This is a pivotal point in the life of every graduand, who have congregated here to receive their degrees, with a sense of achievement and delight. Today also indicates the conclusion of a lengthy period of assiduous academic work with useful learning of systematic scientific learning. The zenith of these knowledge-gathering years should become a reflection of the knowledge and confidence you carry forward.

As you step into the world beyond SPA Vijayawada, you should prepare yourselves for an exciting journey that demands self-belief and conviction. In conclusion, I extend my best wishes for accomplishments in your professions and the missions you choose to undertake. Remember the process of acquiring knowledge from this campus and the professional personality that each one of you have developed during your time at SPA Vijayawada. In the coming days, the SPA Vijayawada family will stand by you, as each one of you progress professionally and become outstanding star.

May your journey be filled with achievements and may you continue to brighten every path and dream you choose to walk towards. Congratulations and best of luck to the graduating class of UG, PG, and PhD students. I trust that today shall be a milestone for each one of the graduands and their parents who are seated here. A happy and significant milestone that you will forever remember.

Prof. Dr. K. N. Satyanarayana
Director, Indian Institute of Technology, Tirupati

The Chairperson, Board of Governors, SPA Vijayawada: Profile

Dr. Ar. Amogh Kumar Gupta

Chairperson, Board of Governors, SPA Vijayawada

Architect Dr. Amogh Kumar Gupta is a practicing Architect and Valuer currently based in Bhopal. Having completed his graduation course B.Architecture and subsequent post-graduation course of M.Architecture (PHE including Environmental Planning) from Maulana Azad National Institute of Technology-Bhopal (formerly known as Maulana Azad College of Technology, Bhopal) in the years 1985 and 2001 respectively, he completed his Doctoral research on "Validation of Traditional Indian Knowledge of Home Building".

Having a strong inclination and flair for academia, Dr. Amogh Kumar Gupta has held many prominent positions in the past, the most noteworthy being former Chairperson, the Board of Governors, School of Planning and Architecture, Delhi; National Junior Vice-President of the Indian Institute of Architects; Council Member (representing Madhya Pradesh) and Executive Committee Member in the Council of Architecture, India; Chairman of Discipline Committee of the Council of Architecture, India and President of Vigyan Bharti Madhya Bharat Prant. He was a part of the Board of Governors of several Institutes of national acclaim and importance like the Maulana Azad National Institute of Technology Bhopal, the School of Planning and Architecture Bhopal, Samrat Ashok Technology Institute Vidisha, M.P. Chairman Sub Committee Indian Architectural Heritage in NIScPR (under CSIR, DST). He has been appointed as an Independent Director at two places, namely, DBL Infrastructure (Dilip Buildcon Limited), a pioneering company at the national level in the field of Infrastructure Development and Satna Smart City Project for the city of Satna in Madhya Pradesh.

Dr. Amogh Kumar Gupta has over 37 years of professional experience in both government (EPCO, NVDA) and private sectors, specializing in individual and group housing projects as well as urban development schemes. His notable work includes large-scale projects for the Government of Madhya Pradesh, Bhopal Development Authority, Sterling Builders, Rashtriya Group (New Delhi), JNNURM urban renewal schemes, sports centers, and major hospitals across India. He has also served on several key government and professional committees, including Development Plan Committees of Madhya Pradesh towns, the Building Byelaws Committee (Govt. of M.P.), expert committees of the Council of Architecture, and the Review Committee for the Western Zone (Ministry of Tourism, Govt. of India).

Message of Chairperson, Board of Governors

To the esteemed professors, parents, guardians, administrative staff, and graduates of the School of Planning and Architecture in Vijayawada, please accept my warmest greeting on the occasion of SPA Vijayawada's Ninth Convocation. On this important day in each of your lives, I stand before you as the Chairperson of the Board of Governors of SPA Vijayawada with the utmost honour and a pleasure. This important ceremony is a celebration of the teamwork and commitment that have led us and all of you to this point. The members of the SPA Vijayawada Senate, Finance Committee, Building Works Committee, and Board of Governors are proud of you for reaching this point in your life and receiving degrees and diplomas. By creating various examples for others to follow, SPA, Vijayawada is leading the nation in architectural and planning education innovation and teaching quality. Let me mention about some of the very significant recent achievements.

The education provided at SPA, Vijayawada encompasses more than just textbooks and tests. It offers a comprehensive experience that has developed your intellect, encouraged creativity and cultivated a sense of responsibility within you. As you are aware, the fields of Architecture and Planning are extremely important to any contemporary culture. Each of you will have the chance to shape our living environment, throughout your life by using Architecture and Planning to make it more sustainable, affordable, environmentally friendly and locally relevant. The degrees represent not just the knowledge you have gained but also the transformative experience you have had during your time at this institution. Your accomplishments will be a source of personal pride and will inspire future generations of this institution. I believe that your experience on campus has not only enhanced your intellect but also shaped your character through teamwork with peers and participation in a variety of activities.

As you enter the professional world, keep in mind that your path is distinct, and your possibilities are endless. SPA, Vijayawada has prepared you with the necessary resources; now it is time for you to put them into action. In closing, I offer my heartfelt congratulations to all the graduates. The world is eager for the impact you will make. Thank you and best wishes for your future endeavors. I urge you to be lifelong learners, for education is a journey rather than a final destination. Stay inquisitive, remain receptive to new concepts, and never underestimate your ability to bring about positive change.

Dr. Ar. Amogh Kumar Gupta
Chairperson, Board of Governors, SPA Vijayawada

Profile of the Director

Prof. Dr. Ramesh Srikonda
Director, School of Planning and Architecture, Vijayawada

Prof. Dr Ramesh Srikonda obtained his Bachelor's Degree in Architecture in 1982 with first class distinction from JN Technological University, Hyderabad, AP. He completed his Post-Graduation in Town and Country Planning from Anna University, Madras, with first class in the year 1984. He also holds a Post Graduate Diploma in Ecology and Environment from the Institute of Ecology and Environment, Delhi. He earned his Doctorate (PhD) from the Indian Institute of Technology, Delhi, where he has conducted extensive research on "Energy Conservation Studies in Buildings through Components / Materials and Space Conditioning Options" at IIT Delhi. An essential area of his research for saving energy, conserving fossil fuels with due regard to Climate change.

Prof. Dr Ramesh Srikonda joined the Central Government Service through UPSC – Central Architectural Services (CAS) in 1985 (Central PWD). Also, he rendered his professional services in various capacities such as Deputy Architect, Architect, Regional Architect, Senior Architect, Chief Architect and Additional Charge as Director (Slum & JJ), to the Government of India. He joined as a Professor in the Department of Architecture of the School of Planning and Architecture Vijayawada in the year 2010 and rendered his services as Head, of the Department of Architecture, Head of the Department of Planning, Dean of Studies, Vigilance Officer etc. before being appointed as the Director of School of Planning and Architecture Vijayawada in September 2022.

Prof. Dr Ramesh Srikonda was instrumental in the conception of the Post Graduate programme M. Arch (Sustainable Architecture) a unique programme in this part of the country with contemporary relevance in the times of climate change and energy crises. He has published over a hundred technical papers in reputed International Journals and presented technical papers at various National and International conferences. He has guided several PhD theses in architecture and planning domains.

Prof. Dr Ramesh Srikonda is also credited with bringing and leading several research and consultancy projects including works for the Government of Andhra Pradesh through the Institutional Consultancy Cell of SPA Vijayawada. He also serves as an expert and advisory member in various high-powered committees of the Government of India like UPSC, National Board of Accreditation, Committees for the setting-up of HEIs, and in recruitment panels and statuary bodies of many other institutions of national importance. He is also a Council Member of the Institute of Town Planners India (ITPI) and has won seven national and international awards.

Prof. Dr. Ramesh Srikonda
Director, School of Planning and Architecture, Vijayawada

DIRECTOR'S REPORT: 2024-25

Distinguished Chief Guest, Prof. Dr. K. N. Satyanarayana; Director, Indian Institute of Technology, Tirupati, our Honourable Chairperson Board of Governors, School of Planning and Architecture, Vijayawada, Dr. Ar. Amogh Kumar Gupta, all the Members of the Board of Governors; Members of Senate SPA, Vijayawada; distinguished invitees, faculty members, staff, media, dear graduands and parents, ladies and gentlemen - it is my pleasure to welcome each one of you to the Ninth Convocation of School of Planning and Architecture, Vijayawada.

The School of Planning and Architecture, Vijayawada, is one of the three SPAs in the country, established by the Ministry of Education, Government of India, under an Act of Parliament as an Institute of National Importance in the fields of Architecture and Planning. Prospective students and research scholars across the nation aspire to join one of the three SPAs to obtain a Bachelor's degree and state-of-the-art specialization at the Master's in Architecture and Planning and PhD levels. The school has distinguished itself in terms of its potential to grow as a role model in specialized professional education, offering Undergraduate and Postgraduate education in Architecture and Planning while simultaneously fostering higher-order research in these areas. The School of Planning and Architecture, Vijayawada, has made significant progress with the encouraging support of the Ministry of Education (GoI), the Board of Governors, the Senate, and faculty and staff members. At SPA Vijayawada, we continually strive to position ourselves at the pinnacle of academic excellence in Architecture and Planning through innovation, creation, inclusion, acquisition, and dissemination of knowledge, utilizing sustainable local and global practices.

Today, we are privileged to have the well-known and distinguished Prof. Dr. K. N. Satyanarayana, as our Chief Guest. We would like to express our sincere gratitude to our Chief Guest for accepting our invitation to attend this important occasion. Prof. Satyanarayana is the epitome of towering academic, research and professional success. He is an inspiration to us all. He has exemplified how one can not only contribute to the disciplines but also help to build the nation by advising the polity and policy. We wish to express our sincere gratitude to Prof. Satyanarayana for gracing this occasion.

OUR FOUNDATIONS AND PEDAGOGICAL PARADIGM

SPA Vijayawada offers Undergraduate, Postgraduate and Doctoral programs in the fields of Architecture and Planning. Currently, the school operates two departments: the

Department of Architecture and the Department of Planning. A total of two Undergraduate Degree Programs, Nine Postgraduate Degree Programs and Doctoral Programs are being offered. Bachelor of Architecture is a 5-year Undergraduate program offered in the Department of Architecture. The Department offers the following postgraduate programs: M.Arch Sustainable Architecture, M.Arch Landscape Architecture, M.Arch Architectural Conservation, Master of Building Engineering and Management, Master of Urban Design, and Master of Design (M.Des). Similarly, the Department of Planning offers a Bachelor's Degree in Planning, a 4-year degree program. The Department also offers Master's Programs, namely, M.Plan in Environmental Planning and Management, M.Plan in Urban and Regional Planning, and M.Plan in Transport Planning. SPAV has also been offering Doctoral Programs leading to a PhD degree in the disciplines of Architecture and Planning since the academic year 2012-13, with a vision to develop independent and scholarly contributions to the progress of the body of knowledge. At SPAV, we believe in building an educational environment that is founded on the pillars of meaningful scientific experimentation and wisdom. Our infrastructure, curriculum, extracurricular activities, research, and industry interaction are focused on models of self-enablement and self-discovery.

OUR OUTREACH

In terms of outreach, SPA Vijayawada has been consistently reaching out and collaborating with leading institutes and organizations worldwide, not only to provide our students with exposure to best practices globally but also to share and learn from one another. Our School has a Memorandum of Understanding (MoU) with several reputable national and International Institutions and organizations, including Boston College of Architecture, Massachusetts, USA and Ecole De Blue, Paris, France. Recently, we also signed an MoU with the University of Lille, France, Ecole Blu Global Design, France, and Boston College of Architecture, USA. Similarly, SPA Vijayawada has entered into collaborative agreements with national and state-level institutions for research collaboration. We are in close network with the two other SPAs at New Delhi and Bhopal, and have collaborative arrangements with the Council of Architecture (CoA), Institute of Town Planners, India (ITPI); the Indian Institute of Architects (IIA); the All India Council of Technical Education (AICTE); the National Remote Sensing Center (NRSC), Hyderabad; the Amaravati Metropolitan Region Development Authority (AMRDA); the Andhra Pradesh Human Resource Development Institute (AP-HRDI), APTIDCO, APGBCL, Vijayawada Municipal Corporation (VMC), National Research Development Corporation (NRDC) and many others.

SPAV also has an agreement with the Centre for Green Building Materials and Technology (CGBMT), Bangalore, National Institute of Design (NID), Andhra Pradesh, Associated Chambers of Commerce & Industry of India (ASSOCHAM), Guru Nanak Dev University, Amritsar, Acharya N G Ranga Agricultural University, Guntur, and National Research Development Corporation (NRDC). SPA Vijayawada has organized a public exhibition showcasing the students' work in Architecture, Design, and Planning, as well as a display of research and consultancy work for the general public. SPA Vijayawada consistently and sincerely contributes to the region and its people through outreach activities. The following are a few of the said activities:

- SPAV's AMRUT Centre of Excellence in Urban Planning for Capacity Building (ACUPCB-SPAV) entered into an MoU with the Government of Andhra Pradesh's Municipal Administration and Urban Development MAUD Department in September 2025. This high-powered MoU recognises the capabilities and strengths of SPAV in the domain of Urban Planning and Development. Specific projects, trainings, and advocacy in the domain of Climate-Sensitive Development, land management, and the use of technology in urban planning are to be undertaken in the coming days. The MoU was signed by the Principal Secretary of the MAUD Department and the Director of SPAV in the presence of the Honourable Minister of MAUD of the Government of AP.

- A one-day conference was held on 27.03.2025, titled *'Swarna Andhra 2047- Unlocking Andhra Pradesh's Potential Through Viksit Bharat Initiatives'*. The Advocacy Program was conducted in close cooperation with MAUD GoAP, taking into account their specific needs. It brought together on the same platform – Hon' Cabinet Minister of MAUD of the Govt of AP – Shri. Dr. P Narayana, Hon' Chairman of 20-point Implementation Program of Govt of AP – Shri Lanka Dinakar, Hon' Principal Secretary of Municipal Administration & Urban Development of GoAP – Shri S. Suresh Kumar (IAS), Hon' Chairperson of Amaravati Development Corporation of GoAP – Smt. D Lakshmiparthasarathy B. IAS (Rtd), Chief Planner of TCPO – Shri. N Dhiren and 10 Hon' Municipal Commissioners (Hon' IAS officers) of Vijayawada, Guntur, Kakinada, Tirupati, Eluru, Machilipatnam, Kurnool, Ananthapur, Mangalagiri, Rajamundry.

- *The National Symposium on Architectural Practice: Opportunities & Challenges was successfully organised as a one-day event on November 18, 2024, at the* Krishnaveni Sabhagaar, SPA, Vijayawada. The event brought together renowned architects, academics, and students, fostering thought-provoking discussions on balancing tradition, innovation, sustainability, and the evolving challenges in the field of architecture.

FOSTERING RESEARCH AND DEVELOPMENT ECOSYSTEM

It is a matter of pride to state that SPA Vijayawada has been fostering a research environment by actively encouraging students and faculty to take up research in several emerging areas. The school has undertaken and completed several prestigious projects funded by the national and international funding agencies. SPAV is currently involved in SAAR–Sameeksha Project 2024-Jabalpur, Shivamogga, and Jaipur, Rajasthan, The Enhanced Grama Panchayat Spatial Development Plan (GPSDP) for Paritala and Telaprolu Grama Panchayats in NTR District, Andhra Pradesh, Heritage Impact Assessment – ROB Construction at Hospete (South Western Railway), The preparation of the Regional Plan for the Tiruchirappalli Region in Tamil Nadu, Preparation of Feasibility Report and Detailed Project Report for the "Urban Sustainable Land Reconstitution Project in Kochi" for KIIFCON Private Limited, Thiruvananthapuram, Kerala, Integrated Approach for Sustainable and Resilient Infrastructure Planning in Kerala, Preparation of Traffic and Mobility Plan for Jaipur Walled City Area, Developing Thematic Elevation Design for the Suspension-Cable Stayed Bridge across the Narmada River and Road Junction Improvement, HIMUDA Project - Integrated Office-cum-Commercial Complex, Vikasnagar, Shimla, Andhra Pradesh Endowment Department- Penchalakona, Nellore – Master Plan for the Swayambhu Penisula Lakshmi Narasimha Swamy Devasthanam, AP Tourism & AP Endowment Department – Srisailam Development Project, Interior Design of Lepakshi Handicrafts Emporiums, AP Township & Infrastructure Development Corporation Limited (APTIDCO) – Housing for the Economically Weaker Sections (EWS), Jabalpur Tensile Bridge Aesthetics, Jabalpur Junction Improvement Plan, Fire Safety Audit for Hospital Buildings of AIIMS Mangalagiri, Suryalanka Beach Corridor as an Iconic Tourist Centre Proposal for SASCI Scheme.

At the Design and Innovation Centre (DIC) of SPAV, socially responsive and innovative products are being developed. DIC Activities have been extended till 2026 by the Ministry of Education, GOI. Furthermore, DIC activities are now aligned with the objectives of NEP 2020 to promote a culture of innovation, laboratory-driven research, and industrial collaboration, among others. All these research and consultancy projects help SPAV maintain a close association with the application-oriented, practical, and professional world while continuing to offer high-end classroom and studio-based teaching. Furthermore, these projects provide students with exposure to real-life applications and help the industry evolve through cutting-edge research.

Faculty members of SPA Vijayawada are engaged in conducting and publishing research and technical papers in various international peer-reviewed journals and

conferences, including research articles, books, and edited books. Faculty members of SPA Vijayawada have attended and presented papers at reputable national and International Conferences in India and abroad, utilizing Cumulative Professional Development Allowance (CPDA) funds. Faculty members have won accolades, including best paper awards, on several occasions for their research output.

Significant initiatives have been undertaken by SPA Vijayawada in recent times, which propel us towards a path of renewed commitment to the highest levels of academic and research standards in the domains of Planning and Architecture. The highest quality of teaching and research has always been the prime objective of the school. Our students and faculty have been making efforts to position the School both locally, nationally and internationally by delivering lectures, talks and organizing various workshops, seminars, and conferences and sensitizing the students towards Sustainable Planning and Development, Sustainable Environments, Green Buildings and Energy Efficiency, Women Empowerment, Motivation, Counselling and Mentoring, Constitutional Rights, Professional Practice: Bridging the Gap Between Academics and Practice, etc. Following the recognition by the Ministry of Housing and Urban Affairs, Government of India, SPA Vijayawada is one of the few "Centres for Urban Planning Capacity Building" in the country. A-CUPCB-SPAV is actively engaged in a diverse set of ongoing research projects under the AMRUT framework, addressing critical challenges related to urban resilience, climate adaptation, and sustainable development. The City-Specific Applied Research Projects (CAR) focus on solutions directly embedded within urban local bodies, such as the development of Low Emission Zones in the old core areas of Vijayawada and integrating energy efficiency considerations into zoning regulations in Tirupati, thereby linking policy frameworks with sustainable urban growth. Complementing these, the Targeted Urban Research Projects (TUR) are designed to tackle broader systemic urban challenges, including canopy layer UHI mitigation strategies using Local Climate Zones in Hyderabad, devising an operational plan for VIP vehicular movement in Vijayawada, and strengthening urban blue-green infrastructure for resilience against flooding in Machilipatnam. Together, these projects embody the centre's vision of generating new knowledge, innovative frameworks, and practical solutions that are both research-driven and locally applicable to urban governance.

In addition, the A-CUPCB-SPAV has been actively conducting a series of capacity building and Executive Development Programmes (EDPs) aimed at equipping professionals, faculty, and students with advanced skills and practical knowledge to address pressing urban challenges. During 2024–25, several short-term EDPs and medium-term capacity-building programs were organized on crucial themes, including project management techniques in

urban planning, coastal resilience planning, climate action for local area planning, simulation-based approaches for urban resilience, and natural resource management for climate change adaptation. These programs not only provided hands on exposure to modern planning tools and frameworks but also fostered cross-disciplinary learning by integrating climate-sensitive and resilience-oriented approaches into the urban planning process.

ACADEMIC EXCELLENCE

The Department of Planning and the Department of Architecture organised extensive series of workshops, guest lectures, and symposia covering a broad spectrum of urban and architectural themes. The Planning department engaged participants through activities ranging from traffic demand management and spatial planning to disaster preparedness, advanced urban analytics, public transport integration, and environmental planning scenario building. Likewise, the Architecture department focused on urban design, regenerative practices, climate-sensitive design, digital technologies in architecture, and conservation studies, complemented by practical workshops on tools like ENVI-met, CFD simulations, and parametric analysis. International collaborations and guest lectures enriched the discourse by connecting global perspectives with local contexts. Together, these initiatives have significantly strengthened the Institute's mission of building a skilled workforce and research ecosystem capable of tackling the complex issues of urbanization, climate change, and sustainable development. By blending academic rigour with practical training, the programs created platforms for knowledge exchange, innovation, and policy-relevant research, thereby reinforcing SPA Vijayawada's role as a hub for urban capacity building and applied research.

Similarly, several events were organised to celebrate World Cities Day, World Town Planning Day, Yoga Day, Vigilance Awareness Week, Constitution Day, and Women's Day, among others. Each of these programmes had a judicious interaction between students and faculty, generating a healthy extracurricular atmosphere.

SPA Vijayawada is also one of the first institutions to send its undergraduate students this semester to Paris on a semester exchange programme with Ecole Blue University, thanks to our collaboration on credit transfer systems. This establishes a framework for such collaborations with foreign universities, where credits can be mutually recognised. SPA Vijayawada has also opened up its provisions in the regulations, allowing students to take up SWAYAM and MOOC courses related to Architecture and Planning through departmental procedures. In line with this, several students are already in such courses this semester. SPA Vijayawada has recently revisited its PG syllabus and incorporated elements required by the industry and profession. It has been built into the syllabus elements of Indian Knowledge

Systems in a majority of the subjects taught, through the restructuring of course structures and lecture plans. SPA Vijayawada has also proudly introduced its one-of-a-kind interdisciplinary programme, the Master of Design, since last year. This programme allows graduates from multiple disciplines to be admitted to learn aspects of design that range from ceramic, textile, interface, and industrial dimensions of design.

Students of all the Undergraduate and Post Graduate programs had relentlessly worked and achieved milestones in academic, Sports, co-curricular and extracurricular activities during the year under consideration for this VIII Convocation of SPA Vijayawada. PhD students have been working diligently to progress to the higher stages of Doctoral research. Research papers were presented in international conferences, published or co-published in international journals, attended international workshops, and contributed to books and magazines of high repute either independently or under the mentorship of Faculty members. We have successfully conducted several outreach and flagship programmes of the Government of India, genuinely committed to the objectives of local relevance, global competence, and being a humble part of a greater societal whole. The following is a brief account of the said accomplishments and activities:

Design Competitions

- Students of B. Arch participated secured 2nd position for their Design in the Student Awards category in the Bhartiya Paramparik Awas Uthan Award 2024 hosted by the Council of Scientific & Industrial Research - The Central Building Research Institute, Roorkee, India.
- Kumar Harsh, Tushar Deoda, Bachelors of Architecture - 3rd Year B. Arch won the first prize winner in loo(k) for future by Archmello Competition.

NoSPLAN Convention 2025

The School of Planning and Architecture, Vijayawada marked its excellence at the XXVI Annual NOSPLAN Convention 2024-25, securing an outstanding overall Second position among 31 participating institutions. The convention, hosted by Lovely Professional University, Punjab. SPAV demonstrated exceptional performance across all trophy categories. In the Planning Trophy, the college secured first positions in both Crowd Craft and Mobility Mastery competition, while claiming second place in the 48-hour challenge and winning the debate competition. The Publication Trophy saw SPAV clinching first place in Short Film and second in Painting, contributing to an overall third position in this category. This remarkable achievement reflects the collective effort and dedication of both students and faculty members.

The success at NOSPLAN 2024-25 not only highlights SPAV's academic excellence but also showcases the diverse talents of its student community in extra-curricular activities.

Achievements of SPAV in NASA India – 67th Year

SPAV students secured the ZoNASA Overall Winner title along with multiple recognitions across diverse events. The institute earned citations in Graphic Design, Art Installation, Reuben's Trophy, and Student of the Year; special mentions in Graphic Design and Dance; and a Jurors' Choice award in the LIK Trophy. In addition, entries were successfully shortlisted at the national level, including ANDC (Top 14), CPK Trophy (Top 51), and Writing Architecture Trophy (4 entries in Top 107).

PLACEMENTS

The domains of Architecture and Planning prepare the students to practice on-field and become employers. Nevertheless, with the profession becoming more and more interdisciplinary, placements have also become a means of initial engagement for at least the formative years of their respective careers. Many of today's Graduands secured placements through on-campus and off-campus placements while many of them chose to pursue higher studies and become young entrepreneurs. Teachers while aim certain that some of them are pursuing their dream to establish Start-ups like those of the previous batches who passed out of SPA Vijayawada.

In a nutshell, all these accomplishments would not have been possible without the inherent support of one and all connected to SPAV. Right at this juncture, I once again congratulate all the Faculty, Staff, Heads of Departments, and Deans for facilitating such a stimulating ambience in SPAV. Amidst all this diversity of people, the common ground is correct thinking and the right understanding which eventually helps us find a meaningful common ground.

INFRASTRUCTURE DEVELOPMENT

The School of Planning and Architecture, Vijayawada (SPAV) has established a modern, fully functional campus equipped with state-of-the-art facilities to support its academic, administrative and residential needs. Spread across 9.66 acres, the campus encompasses a built-up area of 53,580 sq.m., thoughtfully distributed among key components: 29,246 sq.m. for the Academic and Administrative Block, 20,090 sq.m. for the Hostel Complex, and 4,244 sq.m. for the Dining and Visiting Faculty Block. At the heart of

the campus, the Academic and Administrative Block accommodates lecture halls, faculty offices, administrative units, seminar rooms, and laboratories, forming the core of academic and institutional activities. The hostel facilities at SPAV are designed to provide comfortable and well-planned accommodation for up to 777 students, catering to both male and female residents. The Boys' Hostel consists of two blocks - North and South with 448 rooms, including 357 single-occupancy and 91 double-occupancy rooms. The Girls' Hostel offers 197 rooms, of which 159 are single-occupancy and 38 are double-occupancy. Beyond residential spaces, the hostel complex also provides common rooms for social interaction, guest rooms for visiting family members, sick rooms for medical needs, and caretaker rooms to ensure efficient day-to-day management. The Dining Block forms another vital component of the campus, serving as a central facility to meet the nutritional needs of the student community. With a seating capacity of 328 students at a time and a kitchen equipped to serve up to 1,000 meals daily, the dining services are built to efficiently support both current demands and future student growth. Together, these facilities reflect SPAV's commitment to creating a conducive learning and living environment. Looking ahead, the institute is poised for further expansion with plans for enhanced infrastructure, reinforcing its mission of academic excellence and holistic student development.

The Central Computer Lab has several (80) high-end workstations installed with the latest licensed software such as AutoCAD, Trimble Sketchup, Adobe Creative Cloud for the team Apps, Integrated Environmental Solutions etc. State-of-the-art infrastructure Environmental Lab is being established for carrying out research in the field of building and environment. The Environmental Monitoring Lab is equipped with major high-end instruments for analyzing water quality. The Climatology/ Energy Studies/ Acoustic Lab is equipped with modern equipment to carry out research works in the fields of building sciences, energy studies, and indoor environmental quality throughout the year. UG students are given hands-on practical use in each of these laboratories. A full-fledged Art lab has been established to showcase the creative artistic talents of the students. Students are encouraged to explore new materials and new schools of thought. The Building Materials & Construction Lab was established to display and demonstrate various kinds of building materials and their properties to enable material exposure and construction techniques for the students.

The GIS and Transportation Lab is equipped with thirty-five (35) high-end workstations installed with licensed GIS software such as ArcGIS Desktop, ERDAS Imagine and Imagine Photogrammetry and Transportation software such as CUBE, VISSIM and VISUM. It is equipped with GPS instruments, a topo mouse, stereoscopic equipment, and wireless glasses to cater to the geospatial analysis needs, traffic survey requirements and

other specific data analysis. Survey Lab is utilized for making all essential measurements and relative position of points in horizontal and vertical planes with Electronic Theodolite and Total Station etc. The Landscape Lab was set up to develop and demonstrate to the students about the various techniques and concepts used in the field of Landscape Architecture. The Lab is equipped with two high-end configuration desktops to explore the various digital techniques used in the current field of Landscape Architecture. The Conservation laboratory is equipped exclusively with digital documentation techniques for heritage resources. These include LiDAR or laser scanning. Photogrammetry and LiDAR data together can create one 3D surface model of the monument or site that contains very accurate geometry as well as high-quality texture information. The campus has an ICT-enabled teaching atmosphere, high-end digital surveillance systems, modern laboratories, spacious studios and classrooms with interactive panels, open-air theatres, an auditorium, a cafeteria, and outdoor sports facilities. The LAN on the campus caters to approximately 1800 users at a time. The computer data center provides centralized ICT services for the whole campus like Next Generation Firewall, e-office services, centralized attendance, Network Attached Storage Servers, and Servers for the Library and Accounts.

CONCLUDING REMARKS

With this summary of the school's recent achievements and initiatives, it gives me immense pleasure to turn to the most important part of today's gathering, celebrating and congratulating our graduands. As you step forward into the next chapter of your journey, I urge you to embrace the richness of diverse perspectives, collaborate with openness, and let your passion guide you in creating a meaningful impact. Remember, your efforts have the power to shape industries, strengthen communities, and contribute to the progress of society at large. To each of our graduates, I convey my warmest congratulations on reaching this milestone. Your dedication, perseverance, and commitment have laid a strong foundation for the accomplishments that lie ahead. This moment is not only a testament to your academic success but also a source of pride for your families, mentors, and our institution. Dear Graduands, on behalf of SPA Vijayawada, I extend my heartfelt felicitations to you and your parents. It is truly a proud moment for the school to witness your achievements and celebrate your academic journey. Your resilience, sincere efforts, and unwavering belief in yourselves have brought you here, and I have no doubt that these qualities will continue to guide you towards greater success in the years to come.

Jai Hind!
